Winners of Project & Portfolio Management Summit Innovation™ Awards Announced at Gartner Project & Portfolio Management Summit Europe.

Egham, UK, 10 December, 2007 -- Vision Events, a Gartner Company, Inc. (NYSE: IT), announced the winners of the Project & Portfolio Management Summit Innovation Awards at the 5th Annual Gartner Project & Portfolio Management Summit Europe which was held in Prague, Czech Republic at Hilton Prague Hotel from 5-7 December, 2007.

The “Best of Project & Portfolio Management Summit Innovation Awards” program is the culmination of a business agenda that brings IT Executives and Technology & Service Providers together in boardroom presentations, private one-on-one meetings and Gartner industry insight presentations. Attendees at the Event came from over 20 European countries, representing a wide range of industries including technology, banking, healthcare manufacturing, travel and tourism, and other key sectors. The majority of attendees represent organizations with 1000+ employees, with IT budgets from over \$10 million up to \$500 million USD.

“Companies and industries across Europe continue to aggressively adopt PPM technologies to gain an integrated view of their project portfolios and resource allocations,” said Charles Badoian, VP, Program Management, Gartner. “These awards are so significant because they are voted on by the IT Executives directly responsible for the selection, implementation and management of the next wave of automated project solutions.”

The gathering of pre-qualified senior IT executives who attended the Project & Portfolio Management Summit completed confidential ballots to select technology & service providers for the Awards after previewing and learning about new technologies and products in private boardroom appointments and in the PPM Pavilion. During the 7 December ceremony, these companies were recognized for these achievements:

Best Solution

Winner: CA

Best Presentation

Winner: CA

Best Technology & Service Provider

Winner: CA
