**Vision Events Announces the Winners of the Project & Portfolio Management Innovation Awards**

**Framingham, MA, July 1, 2008** – Vision Events, a division of Everything Channel (formerly CMP Channel), accelerating technology sales channels, today announced the winners of the Project & Portfolio Management Innovation Awards, which honor Technology and Service Providers for their solutions, programs, service and support, and design and delivery of presentations.

The awards were presented at the sixth annual Project & Portfolio Management Summit, the premier global event for enterprise project and portfolio management, which brings senior level IT and corporate decision makers together with technology and service providers to discuss project and portfolio management product and service solutions.

The award winners include:

- BEST PRESENTATION: CA
- BEST PPM STRATEGY SERVICE PROVIDER: Serena Software
- BEST PORTFOLIO ANALYSIS: Compuware
- BEST SOLUTION: PPM TECHNOLOGY: CA

The awards were voted on solely by the events attending IT executives.

The three-day event focused on strategic business interaction between technology and service providers and decision makers. The event brought buyers and sellers face-to-face in multiple settings including, private boardroom appointments, an exhibition floor featuring product demonstrations, in-depth content sessions and a series of networking events.
